ABOUT ME

I was born in Wegberg, Germany and I was lucky enough to be subjected to both the English and German languages whilst growing up. This allowed me to pick up both languages at a very young age. I was schooled in England and English became my first language, although spoken German is a skill I intend to maintain.

I enjoy maintaining an active and busy lifestyle and undertake a variety of outdoor activities as part of my job and on a personal basis, such as: rock climbing, kayaking, canoeing, caving and skiing.
