CAREER HISTORY

MOUNTAIN MARKS

2013-Present

Instructor

Mountain Marks, is an organization working in the field of Eco-Tourism by conducting Adventure, Wildlife and Leisure Camping for children. Alongside, they organise camps for schools, colleges, corporate and a group of like-minded people who wish to have a great time in the outdoors.

I have led several treks in the Himalayas for Mountain Marks and have also been a part of various colleges and corporate programmes throughout India. Mountain Marks also custom-designs programs to suit client's requirements and centre-based camps suitable for all school and community groups.

I have been a part of various abseiling and star gazing events with Mountain Marks in the Sahyadri Ranges of Maharashtra, India.

- ***Bohemian Adventures LLP***

October 2018-Present

Trek Leader

Bohemian Adventures LLP try to provide their clients a glimpse into the lives of the mountain folk, their culture and traditions with home stays along trek routes and with a comprehensive insight into the traditions and folk lore of the area.

INME

October 2018-Present

Instructor

INME is an organisation which is involved in outbound programmes which compliment classroom education with learning delivered through high energy adventure experiences. With INME, I have been a part of various school programmes throughout India.

Birch Trail Camp

June 2019-Present

Wilderness Trip Leader

Birch Trail is an organisation from past 60 years United States Of America which involves campers to attend camp for 4 weeks to 8 weeks and offers variety of cabin trips which includes Canoeing, Hiking, Backpacking, Van Camping, Rock Climbing, Sailing and many more.
